

## MEDICAL CORRECTIVE PEELS

### *Perfect Derma Peel Plus for Sun Damage*

\* \$270 / \$720 / \$135

This is the peel for you if your skin is extremely sun-damaged with advanced signs of aging. All the benefits of the Perfect Derma Peel, but with higher concentrations of the synergistic blend of acids.

### *Perfect Derma Peel Plus for Acne*

\* \$250 / \$630 / \$125

This is the peel for you if you have severe acne with discoloration. All the benefits of the Perfect Derma Peel with the addition of Benzoyl Peroxide to decrease oil and reduce bacteria.

### *Perfect Derma Peel*

\* \$230 / \$600 / \$115

Transform your skin with a blend of seven acids targeting the most severe skin imperfections including sun damage and acne. The Perfect Derma Peel is the only peel available that features Glutathione, an antioxidant that reduces melasma and hyperpigmentation.

### *SkinMedica® Rejuvenize Peel*

\* \$200 / \$540 / \$100

Reduce visible signs of aging with a blend of four acids targeting moderate to severe skin imperfections. Minimize dark spots, acne and premature aging for smoother, softer skin.

### *SkinMedica® Vitalize Peel*

\* \$150 / \$400 / \$75

Achieve a more radiant appearance with a blend of four acids targeting mild to moderate skin imperfections. Reduces fine lines and brightens skin.

### *SkinMedica® Illuminize Peel*

\* \$110 / \$275 / \$55

The most gentle SkinMedica Peel that will give you vibrant, radiant looking skin with minimal downtime.

### *Glytone® Eye and Lip Peel*

\* \$90 / \$230 / \$45

Illuminate and smooth your eye and lip contour for a younger, firmer look and feel.

### *Glytone® Glycolic Peel*

\* \$90 / \$230 / \$45

The perfect peel for your first chemical exfoliation procedure. Improve the overall appearance of your skin with very mild exfoliation.

## MEDICAL ACNE TREATMENT

### *Beta Acne Peel (Salicylic Acid)*

\* \$90 / \$230 / \$45

(may be covered by insurance if diagnosed by a medical provider) (CPT Code 17360, Diagnosis Code L70.0)

Specifically formulated for acne prone skin to reduce oil, whiteheads, blackheads and pimples with very mild exfoliation.

### *Acne Extractions*

\* \$90 / \$230

(may be covered by insurance if diagnosed by a medical provider) (CPT Code 10040, Diagnosis Code L70.0)

This treatment utilizes physical exfoliation to rid of the skin of pimples, blackheads and whiteheads.

## COSMETIC SERVICES

## MEDICAL CORRECTIVE TREATMENTS

### **Ultherapy®**

**\$750 - \$4,000 (Consultation Required)**

The only non-invasive FDA-cleared procedure that lifts and tightens your neck, chin and brow and increases collagen production with no downtime.

### **Rejuvapen® MicroNeedling**

**\* \$295 / \$800**

Minimizes pore size, reduces fine lines and wrinkles, lifts, tightens and rejuvenates skin, improves the appearance of acne scars and stretch marks.

### **Rejuvapen® MicroNeedling with AQ Growth Factor**

**\* \$395 / \$1050**

Add Growth Factor Treatment to increase collagen, elastin, hydration and help skin naturally rejuvenate itself.

### **Rejuvapen® MicroNeedling with Platelet Rich Plasma (PRP)**

**\* \$495 / \$1200**

### **with Platelet Rich Plasma (PRP) PLUS Injections**

**\* \$1200 / \$3000**

Add your own Platelet Rich Plasma (PRP) to massage your skin cells to create new collagen revealing your smoothest, firmest, freshest skin.

### **Dermaplaning**

**\* \$100 / \$250 / \$50**

Safe, gentle physical exfoliation of the outermost layers of the skin. Also eliminates fine facial hair for a smooth, refreshed skin.

### **Medical Microdermabrasion**

**\* \$100 / \$250 / \$50**

State of the art, crystal-free technique polishes away the outer most layers of skin while a gentle vacuum extracts deep impurities. Reveals clear, smooth and vibrant skin.
