### BIORETHERAPY "NO PEEL" CHEMICAL PEEL

Innovative treatment for repairing damaged skin tissues and regenerating the skin.  
Ideal for those interested in the benefits of a chemical peel but do not want the skin to exfoliate  
or "peel". This bio-stimulating treatment helps to reduce fine lines & wrinkles, promotes cell  
turnover, decreases damage from UV light, improves hyperpigmentation, melasma, scarring,  
acne, and overall skin appearance.

\$ 250 (1) | \$ 800 (4) | \$ 1000 (5)
